

Rito Unit Renal Dialysis Unit

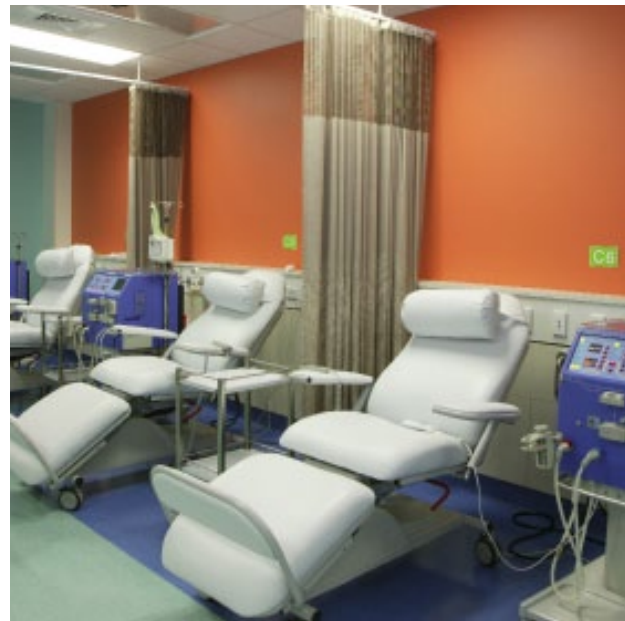

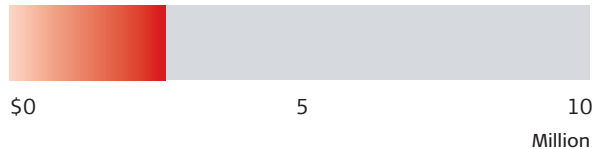

PROJECT | PUBLIC HEALTHCARE

Client: Counties Manukau District Health Board

Location: Manukau Surgery Centre, Manukau

Project Duration: 2007 - 2009

Construction Value:

The new Renal Dialysis Unit at the Manukau Surgery Centre is a state of the art facility and also one of the largest of its kind in the country.

This welcoming and ultra modern facility includes:

- 28 Dialysis Machines operating two shifts per day, six days a week
- Centralised Reception and Nurses' Office
- Specialised Dialysis Chairs for the comfort of the patients
- Treatment Room for minor procedures
- In-House Workshop for regular maintenance and quality control

The project helps to address the communities growing need for highly specialised facilities to assist with the management of dialysis.
